IMPORTANT INSTRUCTION

If you wish to make a donation, fill out this card and put the "DONOR" dot on the front of your license or I.D. card next to the photo where indicated. Keep the card with your license or I.D. card. If you change your mind, complete a new card and remove the dot.

To refuse to donate, fill out part "F" of this card and carry it with your license or I.D. card.

Do not use the dot.

NOTICE

If you are at least 18, you may choose to donate any needed organs, tissues, a pacemaker or whole body for medical transplantation or research or both, and indicate this decision on your driver license or I.D. card. According to the Uniform Anatomical Gift Act (Section 7150, Health & Safety Code), your donation will take effect on your death. (Entering the name of your next of kin below is optional)

Name _____

Address _____

Telephone No. _____

Keep this card with your driver license or I.D. card.
